

Yogurtland

Make your own Yogurtland JOY Pinwheel!

Here's how:

1. Cut out the square and cut the diagonal dash lines on each corner. Do not cut beyond the lines.
2. Color both sides. Let your creativity shine!
3. Bend the corners with the circles down to the center X.
4. Use tape or staple to secure.
5. Bring pinwheel to Yogurtland for display when you go in for a treat!
